UTHINGS

I'm going to start with a joke a la Dominic: why can't dinosaurs drive cars? Because they're all dead. OOOHHH!!

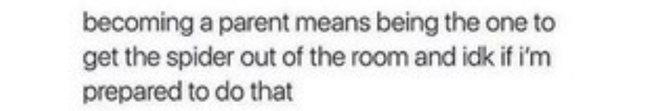
Related: a few of us were T-Rex dinosaurs this week. If you would like details, we may not have any.

Can I tell you a secret? VBS IS THIS WEEK!!! Whoops, secret's out. Just kidding, if it was a secret then that would be not so cool. If you are volunteering for VBS is any way (set up, leading, clean-up, or anything in between), THANK YOU!!!!! This cannot happen without you guys. We are so grateful for you and for all that you do. Now, let's get ready to have a bunch of kids learn about our great God!

Related, FAMILY NIGHT IS NEXT SUNDAY, JUNE 11TH FROM 4:30PM-7:00PM. I'm not yelling, I'm just really excited. Please join us for food, experience the VBS games, and witness a leader get slimed by the kids. Invite your friends and let everyone know what is happening. Hope to see y'all there (yes, I said y'all, I'm sorry).

Youth group, listen up. We have a pool party coming up at the Mansfields' house on June 17 at 1pm. There will be swimming. There will be Bible. There will be food. So, bring a friend. Let's have fun.

And finally, the MOTW:



We are all "GEARED" up for an exciting week of Maker's Fun Factory VBS! Please come join in the fun! Even if you can only participate for a couple of days we would still love to see your happy face. We will be learning that **God Made you, God is for you, God is always with you, God will always love you, and God made you for a reason**. After all, we are built for a purpose. Come be a part for this great community outreach.

Also following VBS on Sunday evening, June 11, we will be having a Family Fun Night where we will share all of the exciting things that happened throughout the week. We invite all of you to come back for dinner, VBS games and a movie highlighting the week's event. Hope to see you there!
